Paul Westermeyer is the leading spokesperson of the church musician in America. Dr. Westermeyer is on the faculty of Luther Seminary in St. Paul, Minnesota and has written several books on the subject of church music, the most recent being *Te Deum* (Fortress Press). We are honored to host someone as distinguished as Paul Westermeyer, and pleased that he will speak to us from the renowned Pyramid Club atop the Mellon Bank Building at 1735 Market Street in a room that affords breathtaking views of City Hall, the Delaware River, and points east. You are encouraged to invite clergy to this event as well. \$65.00 covers the price of dinner. (Entrée will be a duo of crab cake and filet mignon.) Dr. Westermeyer is a guest of the Philadelphia Chapter.

For those who have the benefit of continuing education funds, this event would perhaps qualify for such an expenditure! Space is limited and a personal letter regarding details on securing a reservation should have reached you by now. See ...from the Sub-Dean for more.

DEAN'S LETTER

Ethel Geist

As the end of our AGO program year approaches, I would like to recognize those who are ending various services to our chapter and, on behalf of the entire chapter, extend our appreciation for jobs well done.

Those who have completed terms on the Executive Committee are: Lee DeMets, Paul Kinsey, Stephanie Liem, and Glenna Sprang. In addition to Executive Committee, Glenna has also chaired the Nominating Committee. We are grateful for the commitment and dedication shown by these individuals. Their successors will be announced at our June 11th meeting at the Pyramid Club.

Some of the chapter's appointed positions will see changes. Sherry Beebe has been the link between the chapter and its members for a number of years. She has placed countless labels on *Crescendos* and other mailings, and has run dozens (cross it out), hundreds (cross it out), thousands of pieces of chapter mail through our mail meter. Thank you, Sherry, for all these years of commitment. Sherry's position will be covered by a group of people, chaired by Katherine Reier. Some of this group will be Phyllis Linn, Barbara Hartenbauer, and others being contacted as this goes to print.

Another long-term committed member has been Frank Orman, who has managed our chapter's advertising and placement services since he was in high school. Frank is leaving his Guild positions as he returns to school – this time to seminary. Frank, we are grateful for all the time and effort you have put into our chapter, both managing these areas, and also the phenomenal accomplishment of chairing the Facilities Committee for the 2002 National Convention. Jim Batt will take over advertising for the chapter, and Allen Popjoy will take charge of placement.

Eric Gombert, who has been our *Crescendo* editor for the past two and one-half years will also be moving on to other activities. It takes a special person to deal with volunteers and information and deadlines, and we appreciate all that Eric has contributed to the chapter through written communication! We do not yet have a successor for Eric, so if any potential editors are reading this, feel free to call me with any questions you may have.

Reflecting on all these individuals' dedication to the chapter, I also look back at this past year and some of the goals we have met:

- Thanks to Roy Harker, we have a high quality web site at www.agophila.org. Ken Anderson is assuming the role of webmaster to keep it up to date.

- We are on track to host a POE (Pipe Organ Encounter) June 25-30, 2006. Initial planning has been done by Gary Garletts, Chris Garvin, Frank Orman, and your dean and sub-dean. Marcia Mau will be the director of our project. Start practicing saying "yes" because we will try to find something for everyone to do to help this effort. Help needed will range from baking a dozen cookies to riding a train with a high school student to having fun with a group of young organists to staying in a dorm for a week, and everything in between.

- We have involved chapter members in information gathering for the Vision Task Force through a survey and four Focus Groups. Those who participated have provided valuable information and insights for future use.

We have had some incredibly successful programs this year. Much volunteer effort has been involved, and we thank you! Those who have been involved in our chapter's activities have let the chapter leadership know they appreciate the programs offered. We are always looking for ideas that are of interest to our members and encourage you to let us know what would be irresistibly appealing to you for future planning.

The Program committee has been hard at work preparing next year's program. The Vision Task Force is exploring long-term possibilities for us as a chapter. Mib Campbell and the Education Committee have thoughts for next year. Other committees and officers are being kept busy on your behalf.

I thank you for the privilege of serving as your dean and I look forward to another year of working together with some of the finest people I have gotten to know to help this chapter be the best it can be.

But now, for the summer, at least, I am going to spend some time getting acquainted with the new Reuter organ being installed at my church in Perkasio. Maybe I'll even invite you up to the northern 'burbs to enjoy it with me!!

REGISTRAR'S CORNER

JOE LEWIS, REGISTRAR

DUES FOR 2004/2005

Thank you to those who have responded quickly by sending in their Membership Renewal Forms and checks. If you have yet to do so, please return your dues forms to me as soon as possible for processing for this upcoming 04/05 membership year. Delays past June 30th could cause interruptions in your future TAO subscription. Remember that the National AGO Membership Office receives Dues Forms containing thousands of names from hundreds of chapters, and can become overwhelmed with last minute signups sent in past the deadlines that require special hand processing, once summer machine sorted forms and magazine subscription/labeling runs are completed. The rule of thumb is, "The earlier the better"! If you still have not received your membership renewal form, contact me ASAP by phone or email. Forms were mailed out during the fourth week of April. We are currently working on getting the 04/05 form on the website (similar to the past year) as of this writing.

Please note again that the cost of dues has increased slightly this year in all categories, and that the membership year runs from July 1, 2004 to June 30, 2005 for all members. Memberships are not pro-rated based on the date when you join the AGO and pay your membership dues, except for the special national Reduced Dues program available each year to new members only from Feb. 1 to March 31. That program enables new members to receive TAO as soon as they sign up through to the end of that current subscription year.

PLEASE SIGN THE MEMBERSHIP FORM, INDICATING YOUR ENDORSEMENT OF THE A.G.O. CODE OF ETHICS. And seriously consider continuing as a Chapter Patron or becoming a new one this year. The chapter always greatly appreciates your extra financial support.

IN MEMORIAM

I regret to announce the deaths of two more Philadelphia Chapter members:

Mrs. Phyllis McClelland of Holland, PA (passed away on 2/7/04)

Mr. Edward R. Super of Havertown, PA (passed away late March or early April)

Our deepest sympathies go out to the family and friends of these two members.

FROM THE SUB-DEAN . . .

It's a party! We've chosen to make our last event of the 2003/2004 season a celebratory one. You may think me foolish, but I believe that what we do as church and synagogue musicians is awesomely important and more than worth celebrating. We all respectfully serve, taking a back seat to our clergy brethren. I believe it is wise to accept this as it is, but with the understanding that we are empowered by a ministry which transcends mortal word, a ministry which reaches the heart directly in ways powerfully undefined. We have much to be glad about! I sincerely hope you are able to join us!

Please send me your reservation today! If you've lost the form, make your own by sending me a note so indicating your intent. Include a phone and email, if there is one with a check for \$65 per person made out to the chapter. List the names of all your guests. Send it to Jeff Fowler, c/o Wayne Presbyterian Church, 125 E. Lancaster Ave., Wayne, PA.

Jeffrey Fowler

Regrettably, May's issue of Crescendo was delayed beyond the date of the event it featured due to a problem with the company which does the printing. Matthew Lewis (Juilliard) played a brilliant concert for the Chapter at Wayne Presbyterian Church on Friday, May 7 to a crowd of just over 100. His program of Franck, Durufle, and Messiaen was enthusiastically received. Dr. Lewis conducted a masterclass the following morning attended by a small but appreciative group. Ethel Geist played the Franck Chorale in A Minor; David Furniss played the Durufle Meditation; H.L. Smith played Fela Sowande's Obangiji; and Paul Fleckenstein played the Widor Andante sostenuto, from Symphonie Gothique and Vierne, Final from Symphony no. 6. Dr. Lewis gave many helpful and perceptive suggestions to the performers. Both the recital and the masterclass were adjourned to food and beverage at a nearby establishment.

FROM THE EDITOR . . .

I have decided that the time has come for me to step down as Editor of Crescendo. I am committed to assisting with finding and training a new Editor. Contact myself or Ethel Geist with questions or interest.
